*Studio Works 2007:*  
*Seattle Central's Fine Arts Program*  
January 29 to February 23

This group show by students of the Fine Arts Program once again demonstrates why SCCC is consistently on the vanguard of Seattle's art scene. Individually selected by Seattle Central's arts faculty, emerging artists present an insightful collection of works in oil, watercolor and other paint media, drawing, printmaking and 3-D that enrich, challenge, transform and inspire.

"Learning to Hammer" (top) and "Cutting and Sewing," chalk pastel on paper, by Brenda Allen are part of a series based on the Grimms' fairytale, *The Elves and the Shoemaker*.
